PSBs will need up to ₹2-lakh crore recap in the next 2 years: Moody's

Moody's warned that a sharp slowdown in India's economic growth, exacerbated by the coronavirus outbreak, will hurt PSBs' asset quality and result in sharp increases in credit costs, which will hurt profitability.

Moody's observed that uncertainty surrounding India's economic recovery as well as the ongoing cleanup of balance sheets are making it difficult for most PSBs to raise equity capital from markets.

at levels comparable to global peers, with Common Equity Tier 1 (CET1) ratios of at least 10 per cent, it added.

Moody's expects the Indian economy will contract sharply in fiscal year ending March 2021 (fiscal 2020) before returning to growth, though modestly, in fiscal 2021.
